SUBJECT: Contract No. A-101, Requirement for Instructor Personnel

TO: Contracting Officer

Reference contractor's letter to Dan dated 3 April 1958, CMCC Doc. No. 151X5.1060, which proposed hiring and training four new engineers and providing additional training aids. These men will be utilized as instructors at Laughlin Air Force Base and at the various organizations scheduled to receive data reduction equipment being delivered to Customer "C."

The proposal is approved. It is requested that authorization be issued under Contract No. A-101 for the contractor to begin hiring and training of personnel.
